Dear Thomas,

Pursuant to your request of additional information concerning the Underground Storage Tank removal at the Ambulatory Care unit at Baptist Hospital, please find enclosed an updated site plan. The length of the piping from the UST to the boiler room was approximately six (6) feet in length.

If any additional information is needed concerning this site, do not hesitate to call me at (910) 724-6994 ext. 107.

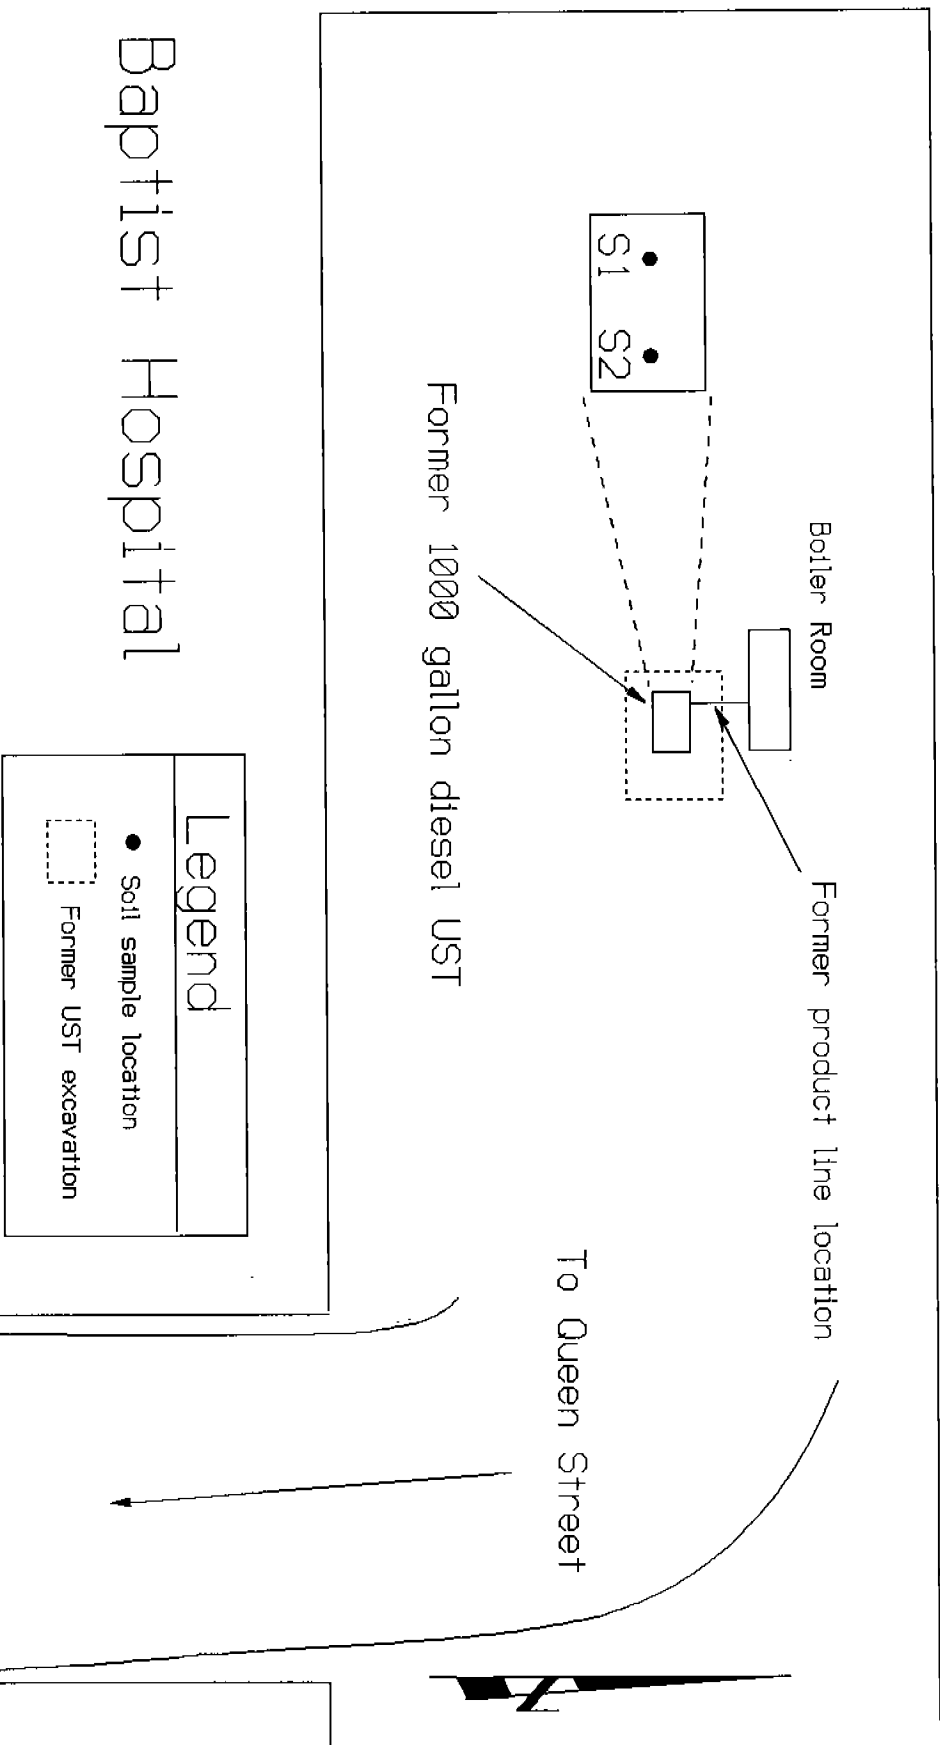

Sincerely,

Engineering Tectonics, PA

Dan Bowser
Project Geologist
